POPY2 Feeling Like An Animal Is Awesome?!

I tried to make this cover page look like a New Year's greeting card, since it was the New Year. If I had another existence, I could have dressed everyone up in the twelve zodiac signs. So closer I like him and Jero as a squirrel and a dog. I heard Jero resembles Ag as a scientist's dog and everyone often calls him by that name, don't. I guess he is like a dog. Actually, him and Jero appeared in this episode. (Laughs) When will him be able to talk someday?? But becoming a talking girl was unexpected.

Hot Fi!

That's

the love potion,

kiss...

hugged and
thought
about each
other...

Anyway, how
can we trans-
form back?
